## Parenting & Children's Services

### About Penguin Playgroup

**Warrnambool City Council Children's and Family Services provide a safe space where young families can come together to access support, share information & parenting tips all while having fun engaging in activities with their children.**

Our aim is to create an environment where families are encouraged to create positive and respectful relationships, celebrate each other's uniqueness and diversity as well as building on and developing confidence in their parenting skills.

Our facilitator is also able to assist families in providing further information about additional services offered at Warrnambool City Council and other Community Health Services in Warrnambool and surrounding areas.

**This is a facilitated program targeted for parents up to the age of 26 years.**

**When:** Wednesday 1:00pm – 3:00pm

**Where:** Thookay Watta room, Florence Collins Children's services complex, 27 Kepler St, Warrnambool

**For more information and to register your interest please call Children's Service Centre on 5559 4747**
