If you want to receive your Child Care Rebate as a quarterly payment, you must claim Child Care Benefit as reduced fees, even if you are eligible for Child Care Benefit but your Child Care Benefit entitlement is zero due to income.

The Child Care Rebate is based on your Child Care Benefit entitlement. If you choose to claim Child Care Benefit as a lump sum payment, you will not receive your Child Care Rebate entitlement until the end of that year, once your Child Care Benefit entitlement has been determined.
