## BACKGROUND

The proclamation of the Local Government Act 2020 has meant that some functions and powers established under the 1989 Local Government Act have necessarily needed to transition to be enacted under the powers vested in the new Act.

Delegations empower employees and committees with the authority to make binding decisions on behalf of their council. Delegations are a function of administration expressed, in ordinary terms, as 'who can do what'. In the context of local government, delegation is the giving of decision-making power by Council and/or the CEO to members of Council staff. The reason for delegations being:

- It is not practical for Council and the CEO alone to exercise the many statutory powers given to Council.
- Delegation facilitates the achievement of good governance by empowering appropriate members of staff to make decisions on behalf of the Council and the CEO

On review of the current delegations, it has been identified that a previous update in March 2019 to the delegations to staff based on the 2016 delegations, omitted a limit the extent of authority for decisions in planning matters. Whilst the practice has continued, it was felt the omission should be rectified in this update.

This has been identified and a proposed change to the 2020 delegations in provision s.61(1) is included which returns greater control to Council and reflects current practice.

The inclusion of the condition or limitation reads:-

*"Where a planning application is subject to five (5) or more objections Council officers do not have the delegation to determine on the matter.*

*Where a planning application is subject to 1- 4 objectives inclusive the to determine an application is made by a delegated planning committee. The Delegated planning committee is made up of three (3) planners including the manager City Strategy and Development and Coordinator City Development."*

## ISSUES

There is a need to adopt updated delegations from Council to the CEO and Staff under the new Local Government Act to ensure their ongoing effect beyond 1 September 2020 where the transition period from the old act ceases.

Section 11 of the new Act deals with the powers of Council to delegate to the CEO for the Local Government Act and all other acts. However, a necessity remains to delegate specific powers to other specific positions in a Council as their powers derived in other acts do not allow sub delegation; these are outlined in **Attachment 2**.

This is a necessary administrative action to ensure the smooth ongoing operations of the organization.

## FINANCIAL IMPACT

There are no further financial implications as the extent of authorities presented in the delegations mirror existing thresholds.

## **LEGISLATION / POLICY / COUNCIL PLAN CONTEXT**

### **5 Practice good governance through openness and accountability while balancing aspirations with sound financial management**

5.2 Develop policies, strategic plans and processes to address local and regional issues, guide service provision and ensure operational effectiveness

5.3 Ensure financial sustainability through effective use of Council's resources and assets and prudent management of risk

## **TIMING**

The delegations are time critical and need to be adopted by September 1 2020.

## **COMMUNITY IMPACT / CONSULTATION**

No community consultation was undertaken in this matter as the purpose is the administration of changes caused by the introduction of new legislation not the change of powers.

## **LEGAL RISK / IMPACT**

The failure to adopt the delegations would severely hamper the smooth ongoing administration of the organization and would require Council to resolve on all administrative matters which would be impractical.

With Council moving into caretaker mode on September 23 2020 the Council could not function administratively.

## **OFFICERS' DECLARATION OF INTEREST**

No conflicts of interest exist in the preparation of this report.

## **CONCLUSION**

Council are being asked to resolve to provide delegations to the CEO and staff on the same basis as the 1989 Local Government Act but as applicable to the powers contained in the 2020 Local Government Act.
