Botanic Precinct Local Area Traffic Management Plan

Everyone wants to get where they need to in a safe and timely way. As Warrnambool grows and gets busier, the challenge will be how to do this. The TAC funded Warrnambool City Council to develop a local area traffic management plan for the Botanic Precinct in collaboration with the community.

This plan aims:

- To be ready to take advantages of external funding opportunities.
- To find solutions which are cost effective.
- Create safer streets for all road users; especially those walking and cycling.

Visit www.yoursaywarrnambool.com.au to provide feedback on the Botanic Precinct Local Area Traffic Management Plan Report. Submissions close **Tuesday 5 April 2022**.
