Draft Tree Asset Management Plan

The draft Tree Asset Management Plan seeks to strike the balance between service provision, investment and risk to meet the needs of the community in a financially sustainable way. The assets covered by this Plan include street trees, trees in open space reserves and around playgrounds, and trees within Council properties and facilities.

Council is seeking feedback on the draft document which will then be incorporated into the suite of Asset Management Plans to support future decisions around investment and service levels. Submissions close Monday 16 August 2021 and can be made online at www.yoursaywarrnambool.com.au

Please note: the purpose of this consultation is not to gather requests for new plantings or removal of trees, these requests can be lodged through City Assist online at www.warrnambool.vic.gov.au/lodge-request

Tenders

Specification documents available online at www.eprocure.com.au/warrnambool/. All submissions must be lodged electronically, via eProcure only.
