### Kerbside Waste Audits

Throughout November the waste habits of households in Warrnambool will be surveyed.

The audit is part of a regional waste survey of municipalities in the south-west. The results will help Council assess the community's knowledge of the kerbside service, and identify gaps in our education programs. Results will be aggregated and individual privacy will be maintained in line with the Sustainability Victorian guidelines for auditing kerbside waste.

**Please place your bins out as normal.** The audits will happen at night, and households are selected at random. Thank you for your cooperation.
