Public Notices

Christmas Tree Recycling

Recycle your live Christmas tree at the Warrnambool Community Garden, cnr of Grieve Street & Derby Street, Warrnambool. Drop off in the roped area in front of the garden until 28 January 2024. Trees will be mulched and reused at the garden.

Purchase of Land for Intersection Upgrade

Council intends to purchase 482sqm of land at the corner of Goodall and McMahon streets to improve road safety conditions in the approach to the roundabout at the intersection of the two streets. Council has been working with the developer of Wollaston Way Estate and the land owner to complete the section of Goodall Street between Wollaston Road and McMahon Street.

The work will include road widening, drainage and kerb works. A footpath will also be provided on the north side. As part of the works the existing roundabout at McMahon and Goodall streets will be finalised with the existing central island enlarged to reduce traffic speeds and improve overall road safety in the area. It is anticipated that work will begin on the upgrade in early 2024.

For further information email propertymanagement@warrnambool.vic.gov.au

Events & Traffic Changes

Cannon Firing

Advice is given to the citizens of Warrnambool that the Warrnambool Garrison will be firing a cannon at 9pm, Sunday 31 December 2023. The Garrison Safety Officer reserves the right to cancel or alter the time of firing. For enquiries contact Flagstaff Hill on phone 5559 4600.

New Year's Eve Fireworks

Two firework displays will be conducted on Sunday

31 December 2023 at 9.30pm and midnight from the Warrnambool Breakwater. To ensure the safety of participants and the community temporary changes to the access of the breakwater will occur from 11am, 31 December 2023 until 2am, 1 January 2024. Please ensure pets are safe and secure during these times.

Warrnambool Foreshore Framework Plan Have Your Say

Warrnambool City Council, in conjunction with REALM studios are developing the Warrnambool Foreshore Framework Plan (WFFP).

The Warrnambool Foreshore Framework Plan project aims to create a shared vision and strategic plan to guide the future of the Warrnambool foreshore precinct over the next 20 years. The Framework Plan will consider strategic social, economic and environmental values of the precinct.

The Foreshore precinct Plan covers the foreshore to the south of Warrnambool's Central Business district, bordering the Lady Bay and southern ocean. It sits between the outlet of the Merri River at Stingray Bay to the west, and the Flume access point off Merri Street to the east. It is bordered by Pertobe Road to the north.

An online survey is open for community response via Councils website www.yoursaywarrnambool.com.au/have-your-say-warrnambool-foreshore-framework-plan, until 12 January 2024.

If you have any questions, please contact Council's City Strategy Team on (03) 5559 4800 or via email planning@warrnambool.vic.gov.au
