2026 Warrnambool Business Survey Now Open!

Warrnambool businesses of all sizes are encouraged to take part in the 2026 Warrnambool Business Survey.

The survey provides a snapshot of the current business landscape, including business confidence, challenges and opportunities. The results help Council to tailor its business support activities and initiatives to better assist the business community. Results of the survey will be made public later in the year. Responses are anonymous.

The survey is available online at **www.yoursaywarrnambool.com.au** and open until Monday 31 August 2026. Anyone wishing to discuss the survey can contact the Economic Development Unit via email at ecodev@warrnambool.vic.gov.au or phone 5559 4800 and ask to speak to one of our staff members.
