### Logans Beach Draft Strategic Framework Plan

The Logans Beach coastal area is located to the east and south of the Hopkins River in Warrnambool, with land on either side of Hopkins Point Road.

The area consists of land zoned Rural Living to the south of Hopkins Point Road including public land zoned Public Park and Recreation Zone and Public Conservation and Recreation Zone. The area also includes land zoned Rural Living to the north of Hopkins Point Road and a small strip of General Residential Zone abutting Hopkins River (Riverview Terrace).

The Warrnambool City Council has developed a draft strategic framework plan for the Logans Beach coastal area. The plan has

explored the area's capacity for further residential growth and also includes a drainage analysis, a traffic impact assessment and an investigation into potential climate change impacts.

Council is seeking public feedback and comments on the draft plan. A copy of the draft plan is available on Council's website [www.warrnambool.vic.gov.au/logans-beach-draft-strategic-framework-plan](http://www.warrnambool.vic.gov.au/logans-beach-draft-strategic-framework-plan) and at Council's office, 25 Liebig Street, Warrnambool.

Comments on the draft plan are required to be submitted by **Monday 31 July 2017** and should be submitted to Julie Glass, Coordinator City Strategy, Warrnambool City Council, PO Box 198, Warrnambool 3280, or by email [planning@warrnambool.vic.gov.au](mailto:planning@warrnambool.vic.gov.au)
