

GET INVOLVED

Warrnambool City Council wants to know what the community thinks about public toilets in the area.

Council is committed to developing a public amenities strategy to ensure our toilets meet the needs of the growing community, now and into the future.

A key part of developing the strategy involves asking residents, ratepayers and visitors what their expectations are when it comes to public toilets.

Residents can have their say in an online survey at the Your Say Warrnambool website www.yoursaywarrnambool.com.au Alternatively, send your submissions to Manager Infrastructure Services, PO Box 198, Warrnambool, 3280 or wboool_city@warrnambool.vic.gov.au. Submissions close 5pm, April 26.
