(Ref: MB/20150420/1005)

- Regional location with a family lifestyle
- Key leadership role
- Drive performance and social change

Shape the future of Warrnambool's social planning and service delivery.

Surrounded by green dairy country overlooking the deep blue of the Southern Ocean, Warrnambool is a regional city with 30,000+ population and one of the fastest growing centres in Regional Victoria. A City of commerce, social, health, education, arts and recreation services. Warrnambool offers a vibrant culture, set in a stunning landscape; with growing business, employment & educational opportunities – A lifestyle city.

Reporting to the Chief Executive you will be responsible for the policy development, planning and delivery of an extensive range of services that include Early Years, Health and Wellbeing, Cultural Services and Recreation.

As a provider of regional services, your ability to lead the growth and development both within your team and through the establishment of key partnerships with other stakeholders will be critical to the success, planning and service delivery of future community services to the growing region and Warrnambool community.

With a track record in management of community programs in a NFP, Local Government or related context, you will have a tertiary qualification in social planning or other relevant field, along with strong financial management, communication and strategic thinking skills and a proven ability to translate strategy and policy into deliverable outcomes.

An attractive remuneration package for this role is being offered including a performance based contract of up to five years.
