- Regional location with a family lifestyle
- Key strategic and leadership role
- Drive performance and social change

Shape the future of Warrnambool's city planning, growth and service delivery.

Surrounded by green dairy country overlooking the deep blue of the Southern Ocean, Warrnambool is a regional city with a 33,000+ population and is one of the fastest growing centres in Regional Victoria. A city of commerce, social, health, education, arts and recreation services. Warrnambool offers a vibrant culture, set in a stunning landscape; with growing business, employment & educational opportunities – A lifestyle city.

Warrnambool is one of Victoria's fastest growing regional communities and a leading advocate for the South West region. Our region is recognised as a premier tourist destination both nationally and internationally with significant projected growth in the next 10 years. Economic progression is a key enabler of regional prosperity with Warrnambool requiring over 2000 jobs to be created to support population growth. Our Council has recently commenced a major city renewal project investing \$16 million on the revitalisation of our critical community assets. This is an exciting period of development and change in Warrnambool's rich history.

Council is now seeking to appoint an experienced Director of City Growth to the lead the City Growth Directorate. Reporting to the Chief Executive you will be responsible for the policy development, planning and delivery of an extensive range of

services that include economic development and investment, city strategy and renewal and tourism services.

As a provider of regional services, your ability to lead the growth and development both within your team and through the establishment of key partnerships with other stakeholders will be critical to the success, planning and service delivery of future services to the growing region and Warrnambool community.

Your track record of leading a team culture that embraces engagement, innovation and community focused service delivery will be highly regarded within a NFP, Local Government or related context. You will preferably have a relevant tertiary qualification, along with strong financial management, communication and strategic thinking skills and a proven ability to translate strategy and policy into deliverable outcomes.

An attractive remuneration package for this role is being offered including a performance based contract of up to five years.

In addition to an attractive remuneration package, we offer good work/life balance, and challenging and rewarding work in a collaborative and supportive team.

Please refer to the position description on our website to address the key selection criteria. **Applications close 5pm Monday 30 November 2015.**
