Time: 9:00 am to 4:00pm

Allansford Structure Plan

The Warrnambool City Council is developing a Structure Plan for the Township of Allansford, and we'd like to know your thoughts.

Council has received funding from the Victorian Planning Authority (VPA) to undertake this work, which will provide a long term vision and framework to guide land use and development and manage the future growth of the town.

The plan will build on work previously undertaken as part of the Allansford Urban Design Framework Plan (2003), Warrnambool City Wide Housing Strategy (2013), Warrnambool Open Space Strategy (2014) and Warrnambool 2040 Community Plan.

Everybody is encouraged to provide feedback including residents, visitors, businesses, and government stakeholders. You are encouraged to provide feedback through an online survey to ensure your opinion is recorded and used in the development of the Allansford Structure Plan.

The online survey can be found at:
www.yoursaywarrnambool.com.au/

The closing date for the online survey is: **Thursday 28 February 2019.**

Further consultation will be undertaken at a time and location to be confirmed, but most likely early in the New Year. You can register your interest by writing to: planning@warrnambool.vic.gov.au

Christmas and New Year Kerbside Collection Changes

All households will receive an extra recycling pick up over the Christmas New Year period.
Everyone will have their recycling bin collected along with their rubbish bin between 23 December and 4 January, regardless of when their regular recycling week is.

There will also be changes to the bin night of some residents. If you normally put your bin out for collection on Monday nights,

place it out by 8pm Tuesday night instead on 25 December and 1 January. All other bin nights stay the same, though if your bin night is Tuesday, please ensure your bin is out by 8pm on 25 December and 1 January.

For any enquiries, please contact Council's kerbside collection contractor on 1800 999 690.
