## Get Involved

### Expressions of Interest - Green Futures: Green Business

Green Businesses can have lower operating costs as well as a reduced impact on the environment.

Council's City Sustainability Unit is looking for businesses willing to take part in a pilot for the Green Business Program. The pilot will develop a series of case studies to assist businesses in implementing sustainability and energy efficiencies.

Participating will provide you with a FREE green business assessment and provide feedback on opportunities to help you "go green" and become more efficient, profitable and sustainable.

If your business would like to be considered for the pilot and case study please contact City Sustainability on 5559 4800.
