Archie Graham Community Centre (Archie) will be taking action in Dementia Action Week differently in 2020, due to the COVID-19 restrictions.

- Instead of hosting information sessions at the Centre, webinars have been developed by Dementia Australia for both people living with dementia and their carers or support people. To find an event go to [www.dementia.org.au/education/online-webinars](http://www.dementia.org.au/education/online-webinars)
- Register to become a Dementia Friend and help make Warrnambool more dementia friendly. [www.dementiafriendly.org.au/get-involved/register](http://www.dementiafriendly.org.au/get-involved/register)
- The Archie Graham Community Centre will have jade green lights on the exterior of our building to show our support for Dementia Action Week.
- At Archie we are exploring how to be more dementia friendly in the programs we offer and in the way people access information and move about our facility.

If you would like to have some input into how we become more dementia friendly at Archie, please contact Clare Vaughan on 5559 4920 or email [cvaughan@warrnambool.vic.gov.au](mailto:cvaughan@warrnambool.vic.gov.au)

### Mapping Our Way To A Circular Economy (WCC Recycling Directory's latest format)

Partnering with Barwon South West Waste and Resource Recovery Group and the other councils in the region Warrnambool City Council is building a regional Zero Waste Map [map.reduce-recycle.com.au](http://map.reduce-recycle.com.au)

The map will support the circular economy by connecting the community with local organisations providing goods and services that reduce the amount of materials going to landfill.

You can help build the map by registering your organisation today at [map.reduce-recycle.com.au](http://map.reduce-recycle.com.au) (Note: there is no www at the start of this address). If you would like further information or need help registering your organisation, email [map@bswrrg.vic.gov.au](mailto:map@bswrrg.vic.gov.au)
