Dementia Action Week

21-27 September 2020

A little support makes a lot of difference

Archie Graham Community Centre (Archie) will be taking action in **Dementia Action Week** differently in 2020, due to the COVID-19 restrictions.

- Instead of hosting information sessions at the Centre, webinars have been developed by Dementia Australia for both people living with dementia and their carers or support people. To find an event go to www.dementia.org.au/education/online-webinars
- Register to become a Dementia Friend and help make Warrnambool more dementia friendly. www.dementiafriendly.org.au/get-involved/register

- The Archie Graham Community Centre will have jade green lights on the exterior of our building to show our support for Dementia Action Week.
- At Archie we are exploring how to be more dementia friendly in the programs we offer and in the way people access information and move about our facility.

If you would like to have some input into how we become more dementia friendly at Archie, please contact Clare Vaughan on 5559 4920 or email cvaughan@warrnambool.vic.gov.au
