Application is for a permit to:	Use & Development of land for a Telecommunications Facility (4G & 5G)
Applicant for the permit is:	Telstra Corporation Limited C/o Visionstream Australia Pty Ltd
Application reference number is:	PP2020-0050

You may view the applications and any supporting documentation at the office of the responsible authority, Warrnambool City Council, 25 Liebig Street Warrnambool, during office hours, free of charge. During COVID-19 application documents are also being made available on Council's website www.warrnambool.vic.gov.au/advertised-planning-applications

Any person who may be affected by the granting of the permit may object or make other submissions to the responsible authority.

An objection must be made to the responsible authority in writing, include the reasons for the objection, and state how the objector would be affected. If you object, the responsible authority will tell you its decision. The responsible authority will not decide on the applications before 15 June 2020.

Warrnambool City Council's Asset Management Strategy 2020

The existing Asset Management Strategy was adopted by Council on 1 December 2014 and is due for review. This strategy has now been revised in accordance with current best practice principles and provides the framework and guiding principles for the processes involved in managing Council assets. It also clearly

sets out the actions required to improve the maturity of asset management within Council. With a whole of Council approach to asset management, Council will establish the platform required for the sustainable and responsible management of Council's assets.

The Asset Management Strategy is focused on enhancing asset management governance and capability and has been developed in line with the Asset Management Policy. While it applies to all physical assets, systems, and processes that support the delivery of services to our stakeholders and the community, this document does not contain the service level discussions of each asset class which is found in individual Asset Management Plans.

Please visit Council's website www.warrnambool.vic.gov.au for a link to the Asset Management Strategy document.

Council welcomes written feedback on the strategy, which can be emailed to contact@warrnambool.vic.gov.au or posted to Warrnambool City Council, PO Box 198, Warrnambool Victoria 3280. Consultation closes **5pm, Friday 5 June 2020**.
