Council Plan 2021-2025 – Help Shape Warrnambool's Future

Warrnambool City Council has begun development of its Council Plan.

The Council Plan sets the strategic direction of the Council over the next four years. It's an important document that helps guide the allocation of resources and the selection of priority projects. The Council Plan is guided by the objectives established in the long-term community plan, Warrnambool 2040 (www.w2040.com.au).

Council is asking the community to help shape the Council Plan. There will be a range of opportunities to have a say – both in person and online.

- Council is calling for expressions of interest from people who would like to be involved in one of two deliberative workshops to be held on 17 March. The workshop participants will be capped at 70 in total. We will ensure those taking part represent Warrnambool's diverse community. To register your interest in being part of a Council Plan deliberative workshop go to www.yoursaywarrnambool.com.au

If you would like to register but don't have internet access please contact the City Assist team on 5559 4800 and they will register on your behalf.

- On 3 March Council will host five neighbourhood Listening Posts to capture people's aspirations and ideas for Warrnambool. Times and locations will be advised shortly.

- We will also provide online opportunities for people to have their say.

To keep up-to-date with the Council Plan go to www.warrnambool.vic.gov.au/council-plan-2021-2025

We will also post updates on our Facebook page.
