**The Draft Warrnambool Municipal Road Management Plan 2021 aims to provide details on policies, practices and standards which are to mitigate hazards within public roads and pathway networks.**

The Warrnambool municipality conducts routine inspections annually on Council road, roadside, footpath and vegetation to ensure the road and footpath network are safe for the community. This ensures a level of service to the community for pathway networks and road networks and protects Council by ensuring we are carrying out routine inspections and assessing hazards according to our policies and guidelines.

## Public Notices

### NO Ashes In Your Bins

**With winter here, it is a good time to remind everyone fire ashes can't go in your bin.**

Several FOGO bins have already caught fire this year as a result of ash. Even cooled or doused ashes have started bin fires. Fire ashes can be added to your home compost or used on soil as a fertiliser instead.

Please consider the safety of collection staff and NEVER put ash in your bins.

For further information contact the Waste Management Unit on phone 5559 4834 or visit [www.warrnambool.vic.gov.au/fogo](http://www.warrnambool.vic.gov.au/fogo)
