Warrnambool Planning Scheme Amendment C205warr

CORRECTION

North Warrnambool Flood Controls

An amendment to the Warrnambool Planning Scheme is currently on public exhibition to update the existing flood planning controls for properties in north Warrnambool which are affected by flooding from the Russells Creek and some parts of the Merri River catchments.

Incorrect mapping has been inadvertently exhibited showing some properties adjoining Russells Creek (between Bromfield Street and Daltons Road) as being rezoned from Urban Floodway Zone to General Residential Zone. This area does not form part of the amendment and the exhibition mapping has been corrected accordingly.

As a result, the closing date for submissions has been extended from Friday 29 October 2021 to **Friday 12 November 2021**.

Tenders

Mortlake Road BP Footpath Construction

Register No. 2022014
