

Bringing Up Great Kids

Bringing Up Great Kids is a multi-session evidence based parenting program to support parents and caregivers with children aged under 12.

Bringing Up Great Kids allows parents and carers to explore their relationships and improve communication with their children.

The program aims to support parents to

- Promote respectful parent child interactions
- Learn more about brain development in children and its influence on their thoughts feelings and behaviour
- Understand the meaning behind the child's behaviour
- Discover how to overcome some of the obstacles getting in the way of being the parent they would like to be
- Discover ways for the parents and carers to take care of themselves and find support when they need it

This program is free and delivered by a trained facilitator 1:1 or in a small group setting.
