

Integrated Family Services

Family Services promotes the safety, stability and development of children, young people and their families, with a focus on building capacity and resilience.

Your Family Services Practitioner can provide

- A voluntary and free in-home service to support for the family
- Support to identify the family goals determined by an Outcome Star and Family Action Plan
- Strategies to enhance parenting capacity and skills
- Support with parent-child relationships and understanding of child development
- Support families to connect with their community.

Referral to the Integrated Family Service Program is via **The Orange Door**
