Community Playgroup

Parenting & Children's Services

Our playgroup is free for families and is facilitated by experienced Childcare Educators in a child focused and family friendly space.

Our objective is to empower parents with the knowledge and confidence to further understand their child's development through the medium of interactive play sessions. We also aim to foster social connectedness amongst families.

Our facilitators are also on hand to provide general parenting advice and support and help link families into appropriate Health and Community Services in the Warrnambool and surrounding areas where required.

We endeavour to provide playgroup experiences for families both in venue and also utilising nature sites throughout the community. Most importantly playgroup is a non-judgmental space where children and parents/carers join together and have FUN.

We encourage parents to bring along a water bottle, appropriate clothing for all weather conditions and a piece of fruit to share with the group.

Wednesday mornings 10:00am – 12:00 noon
