Florence Collins *	Weengkeel	These services are located in a Child Care Centre. The session is a combination of kindergarten and child care. The kindergarten program is taught by a qualified kindergarten teacher. Each child will be allocated to 15 hours of kinder per week (3 x 5 hours). The Child Care operates outside of the kindergarten hours and during school holidays. All families are charged for child care during the school holidays. Fees are charged at a daily rate and families using these services may be eligible for Child Care Subsidy. Please note these services start earlier than the other kindergarten programs operating a child care program during January.				
Matron Swinton *	Kooramook					
Sherwood Park *	Karrun
