Volunteer Vacancies April to June 2025

WAG – Art Gallery Volunteers

When: Choice of 7 days, for 1–2 hours around midday

Would you like to volunteer in a creative environment? Volunteer opportunities are available across the week to welcome patrons and provide support to Gallery staff and current exhibitions.

Kinder Volunteers

When: Days and times to suit you, and multiple sites available

Our staff and young people would love some more volunteers to assist with fun activities, including gardening, storytelling, music and excursions.

West Warrnambool Neighbourhood House

When: Days and times to suit you

Do you have the skills and capacity to deliver activities independently, or do you enjoy running a group? Come and share your skills, and support our staff to provide community with engaging programs in this great new space.

Meals on Wheels

When: Monday to Friday 10.30 – 12 noon

Support members of the community with delivery of this popular meal service around Warrnambool. Looking for more helpers – short term through the winter, or long term volunteers are always welcome.

Flagstaff Hill

When: Choice of 7 days, or school holiday programs

Opportunities exist for volunteers in multiple roles: share your knowledge and passion for history as a Heritage Guide, activate the Maritime Village in period costume – perhaps even demonstrate a traditional trade – or welcome visitors and showcase our region as a Visitor Services Assistant in the Visitor Information Centre. Volunteers can also get involved in special programs and events throughout the year.

Gardens for Wildlife

When: No time limit or experience required, just passion!

An exciting, free community program which loves to share and learn about gardens, wildlife and plants. We are a welcoming community group of volunteers with mixed experience, who provide a free volunteer program to help inspire wildlife friendly gardens in Warrnambool's front and back yards.
