

WISE WARRNAMBOOL

# Recycling Services Directory

The essential guide to Reducing,  
Reusing and Repairing in **3280**

Q W2040

You can be part of the local action to achieve the goals in Warrnambool in 2040 by making some small changes in your life, home, school, workplace or club.

Promise to take some small actions from the list below (or add your own) to be part of the community action for positive change.

## WANT TO KICK THE SINGLE-USE-PLASTIC HABIT?

**Remember your:**

- ✓ Reusable bags
- ✓ Drink bottle
- ✓ Reusable coffee cup – or just use an old mug
- ✓ Stainless steel or paper straws – or go without!
- ✓ Switch plastic stemmed cotton buds for paper or bamboo or reusable – yes that's right reusable cotton buds! #BetterBuds
- ✓ Swap shampoo in plastic bottles for shampoo bars or bulk buy at the health food shop.
- ✓ Swap plastic toothbrushes for bamboo. When finished snap off the heads and chuck in your compost or FOGO.
- ⊗ Microbeads – don't do it! You know they always end up in the ocean. Choose products without or make your own. Coffee grinds work great and smell good too!

# WHAT WILL YOUR W2040 PLEDGE BE?

**W2040**

*I commit to these #smallactions to make  
a #BIGdifference to our future.*

- ☐ Plan meat free meals at least weekly
- ☐ Never throw food/organic waste in the rubbish – use the FOGO bin
- ☐ Reduce all waste in my home/school/workplace
- ☐ Say no to single use plastic – cotton buds, bags, straws, cups, bottles
- ☐ Plant indigenous species of trees, shrubs and grasses.

## Buy Local at the Warrnambool Community Garden Summer Markets

Every Wednesday 3–6.30pm

from 20<sup>th</sup> NOV 2019 to 8<sup>th</sup> APR 2020

Corner of Grieve and Derby Streets.  
Enter from Grieve St.

Recycle your Christmas Tree at  
the Warrnambool Community  
Garden, **Dec 27–Jan 19.**
